G-PEELER- 20lb. Vegetable Peeler

## 20 Pound Portable Vegetable Peeler

**Features**

- Truly portable. Plugs in anywhere.
- Great for root vegetables such as potatoes, carrots and parsnips. Some customers even use it to clean shellfish and scale small fish.
- No plumbing problems. Connects to a standard faucet and operates on a drain board, Univex 150 stand, counter or table.
- Stainless steel construction insures long life and makes cleaning easy.
- Precision timer - automatically shuts off as desired, prevents over-peeling.
- Extended discharge tube, minimizes splashing.
- Corrosion resistant cover.
- Cord and plug.

**Standard Accessories**

- Durable peeling disc.
- Flexible water inlet hose.
- Corrosion resistant cover.

**Warranty**

- one-year, on-site parts & labor warranty

## Univex Corporation

**WARRANTY DETAILS**

The G-peeler carries a one-year, on-site parts and labor warranty against any flaws in materials and workmanship. This period begins on the date of purchase and, provided the unit is used in accordance with our instructions, is in full effect for one year from that date. Any work performed under this warranty must be performed between the hours of 8:00 a.m. and 5:00 p.m. local time, Monday through Friday. Univex will not pay for overtime charges for work performed other than during normal business hours. Damage incurred in transit or from installation error, accident, alteration or misuse is not covered. Univex shall not be liable for any consequential, compensatory, incidental, or special damages. Contact the Univex service department for any warranty claims.
